Dutch Qajaq Event

Back to the roots

Experience Inuit Kayaking!!

You will find more information on our website

WWW.VELUWERALLY.NL

The Veluwerally is an international canoe event where performance meets the social aspect of the sport. It is held annually on the last Sunday of September. You can paddle 100, 50 or 35 kilometer on the beautiful river IJssel. Campsites at the start in Giesbeek (near Arnhem) or Deventer are already open on Friday.
